

# Explore a new way to connect with care

**It's easier than ever to access your benefits and quickly find the care you need.**

With intelligent search and navigation, the Aetna Health<sup>SM</sup> app and website helps you connect with key features of your plan. So you can get coverage information, provider search and your Aetna<sup>®</sup> member ID card — whenever you need it. And now, there are even more enhanced features to help you easily get the most from your plan.

## Discover these new features

### Get answers, anytime

Type what you're looking for into the search bar to easily find information — without medical terms and complicated language.

### Find the right doctor and understand your costs

Find providers that have been recognized for delivering high-quality, cost-effective care\* with Aetna Smart Compare<sup>®</sup>. Just look for the Quality & Effective Care badge in your provider search results. You can even view real-time cost estimates for many common procedures.

### Chat for quick answers

Tap the smart chat icon on the home screen to get help.

### Use personalized cost tracking

Tap into tools to track your in-network spending, deductible and the claims for those costs. This helps you better understand and manage your health care expenses.

### Enjoy advanced accessibility

The Aetna Health app now supports a low-light dark mode interface that improves accessibility and provides more comfortable viewing. Plus, it's the first of its kind among leading health insurance apps.

**Aetna<sup>®</sup> is the brand name used for products and services provided by one or more of the Aetna group of companies, including Aetna Life Insurance Company and its affiliates (Aetna).**

Estimated costs are not available in all markets or for all services. We provide an estimate for the amount you would owe for a particular service based on your plan at that very point in time. It is not a guarantee. Actual costs may differ from an estimate for various reasons including claims processing times for other services, providers joining or leaving our network or changes to your plan. Health maintenance organization (HMO) members can only get estimated costs for doctor and outpatient facility services.
